Dear Families & Friends of PC2:

As the trees are turning colors and the leaves are starting to fall, it is time to start thinking about this year's legislative season.

The first legislative event will be the Legislative Forum on Tuesday, November 14th, 6:30 p.m. (Please see the front page for event details and registration link.) This will be a virtual event again this year. Please put the date on your calendar.

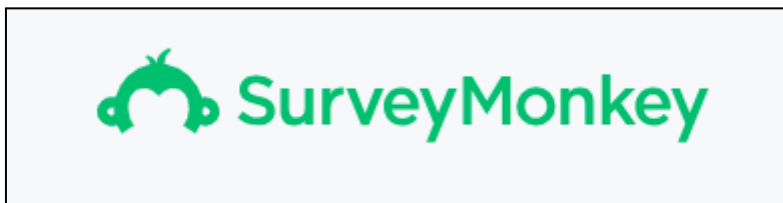

PC2 would like to encourage you to share your story with legislators as a way for them to understand the complicated needs of your loved one. If you are interested, please give PC2 a call (253.564.0707) and we will assist you in planning and connecting you with PAVE, who will be video recording all family stories to be shared at the Forum.

PC2 has an additional request that will take you approximately six minutes! We have posted our yearly survey (link below) and would greatly appreciate you taking the time to give us your feedback. We want to understand what areas you need more information about and how you want that information provided. As always, we want to understand your needs to help you better advocate for your loved one.

Please check out all of the exciting events and activities included in this issue. If you need any help contacting providers or registering for an activity, please give us a call (253.564.0707) and we would be happy to assist you.

We look forward to seeing you at the Forum.

Beth Ann

For 55 years as a local not-for-profit 501 (c)(3), social service organization, Centerforce provides employment training, volunteer opportunities and assistance for individuals with intellectual and developmental disabilities to move toward inclusion in their community. The 200 individuals we serve in south King, Pierce and Thurston counties have a wide range of disabilities and a number of barriers to traditional employment. With this event, our goal is to raise \$40,000 to support our programs that assist individuals with intellectual and developmental disabilities find jobs, and be able to engage and participate in their communities.

As with everyone, Centerforce services have been significantly impacted by the pandemic and other economic forces. We serve those with intellectual and developmental disabilities who are among the most vulnerable and, as a result, are still impacted by the pandemic.

When you attend our event, it supports clients like **John B.**, who has been employed at Safeway for 18 years; **Chris J.**, who is now on his eighth year working for the Ram Brewery and Restaurant; **Joe O.**, who transitioned from a 13-year job at the ARC to working for MOD Pizza; **Tyler K.**, as a school-to-work client, secured a job with OnTrac five months before he graduated; and **Deacon C.**, with our help before his high school graduation, transitioned from school to working his first job at Red Robin.

Would you like to sponsor our event or donate silent auction items? [Contact us here](#). For more information regarding Centerforce and its services, contact Debby L. Graham, M.A., Executive Director, at 253-426-1860.

Individual Services

Sequoia Therapeutic Recreation is a vendor providing DDA individual services to help folks meet their individual goals in the community as listed in their Person Centered Services Plan (PCSP).

Ask your Developmental Disabilities Administration case resource manager if you qualify!

Specialized Habilitation

Specialized Habilitation provides individualized client centered opportunities to learn skills in:

- Self-Empowerment
- Safety awareness & self - advocacy
- Interpersonal skills and effective communication
- Coping strategies regarding typical life challenges
- Learning how to manage daily tasks and gain new adaptive skills.

What does that look like?

For some this is learning how to cook foods for a new doctor recommended diet. Shopping, menu planning, and learning how to prepare foods. It also looks like learning how to access the local gym safely and independently. It is also learning how to use devices to learn how to communicate with the folks in your life.

PenMet Opportunities

Did you know Sequoia TR offers programs for Peninsula Metropolitan Park District (PenMet) in Gig Harbor twice a month?

Check out their website for more information and to register with them! penmetparks.org/

Check out the About Page!

We have new friends at Sequoia TR. Read their bios to learn more about them. Want to join our team? Fill out a volunteer or employment application.

Community Inclusion

Community Inclusion activities are

- Individualized based on individual interest.
- Are offered in an integrated community setting.
- Provide opportunities to develop relationships and increase independence
- And offer connections and contribution to the local community

Community Engagement

Community Engagement connects participants to activities, resources, events, and services in the community that the participant is interested in exploring as indicated in their personal goals in their person centered services plan PCSP.

- Connects clients to community supports.
- Supports clients natural abilities to communicate, socialize, and interact with others increasing their confidence to engage in events without ongoing support through experiential learning.

FALL FUNDRAISING

Sequoia TR is a 501(c)3 nonprofit organization. We are able to offer programs thanks to generous donations and fundraising efforts. Fundraisers help offset the unseen costs of business like; insurance, rent, business fees, and admin time. Please consider making a financial donation and/or helping with Fall Fundraisers.

VOLUNTEERS make it possible for SequoiaTR to serve more people. **THANK YOU!** Volunteers, please register for the activities you will help with (there is no charge). This will help Sequoia provide the best communication.

To register by phone, please call **(253) 798-4199**. Register in person at the **Lakewood Community Center**, 9112 Lakewood Drive, Lakewood, WA 98499, 8:30 a.m. to 5:00 p.m. Monday through Friday.

DDA: Pierce County Parks Specialized Recreation programs are supported by DDA funding; respite money may be used. If using DDA funds to register please have the participant's case manager contact information on-hand.

GENERAL BILLING INFO: Case managers will be billed monthly, using the hourly reimbursement rate based on the quarter hour.

CANCELLATION POLICY: You must request cancellation, and receive confirmation, from Pierce County Parks staff at least 5 business days before an activity begins for a refund. Refunds will not be made for missed or forgotten sessions, or late cancellations.

VIRTUAL PROGRAMS: For virtual activities, access to an internet capable computer/laptop/tablet/cell phone provided by the participant's parent/guardian is required for participation. A ZOOM link will be sent to the email address listed on the registration prior to the program's scheduled meeting.

ACCOMODATION: To request accomodations, please call (253) 798-2997.

Unexpected Absences

You will not be billed out of pocket for any illness or behavioral related issues as long as we are notified prior to the absence.

If you/the participant is sick or experiencing:

- Behavioral issues: If for any reason you feel you/the participant is not able to safely attend classes, please call and inform us at your earliest convenience. Safety is of our utmost concern.
- If you have any type of contagious illness: Please do not attend classes until you have not had symptoms for 72 hours.

Unattended Classes / No-Shows

If for any reason, you/the participant does not show up for registered classes or is absent for any reason other than illness or behavioral related issues, you will be required to pay the published rate for those classes. We cannot excuse absences related to caregiver or transportation issues, appointments or trips. Because we are unable to bill DDA for services not rendered, you will be required to pay out of pocket, and invoiced at the end of the month for the amount due.

One to One Assistants, Care Providers, and Chaperones

We want everyone to have the opportunity to fully and independently participate in our activities, and we realize that some of our participants need assistance to make that possible. We allow for two different types of assistance, both of which require passing a background check before attending.

One to One (1:1) assistants and care providers may attend a program or activity at no additional cost with a registered participant when that person needs assistance with feeding, toileting, behavioral support, or ambulation. Our staff may evaluate and determine the need for a 1:1 assistant at any time.

There may be times when the space in the busses for transportation is limited and staff evaluate who needs a 1:1 riding on the bus with us. In those cases, program staff will call the families and work out a plan that will have the 1:1 driving separate behind the bus. Priority would be for 1:1 assistants who need to constantly be with their clients due to behavioral needs or medical needs.

Chaperones may accompany registered participants as program support for ease of mind for an additional fee. Chaperones will need to provide their own transportation when we travel into the community.

To communicate an absence or for SCHEDULING QUESTIONS please contact us at 253-798-2997 | pcsr@piercecountywa.gov
